

Complete Femininity

the tantric approach to woman power

The esoteric teachings are presented in a coherent, step-by-step approach by Mihaiela Pentiu who is a medical doctor. She has walked and taught the tantric path for almost 2 decades, therefore Agama is lucky to have her teach this women-only workshop. Not only can the participants expect to get a solid theoretical understanding of the tantric outlook on femininity but also and foremost, they will be able to discuss the relevant issues with an experienced woman.
